2014 ICDM Outstanding Service Award

Congratulations to Prof Rao Kotagiri for the award of the 2014 ICDM Outstanding Service Award - <http://www.cs.uvm.edu/~icdm/awards/Kotagiri-14.shtml>

Well done Rao!

Info on any other international awards to Australasian CS educators and researchers greatly welcomed, so I can share with the CORE community.

CORE 2014 Conference Rankings Updates

We have completed the updating process - a summary of process and changes can be found off:

<http://core.edu.au/index.php/conference-rankings>

The portal has been (or very soon will be) updated with the info:

<http://core.edu.au/index.php/coreportal>

As noted in previous newsletter - we are investigating a couple of alternative / orthogonal approaches for future years. I will keep you updated on progress.

CORE Executive 2015

Nominations for the CORE Executive Team for 2015 have been called for. We have three roles - President, Vice-President and Treasurer up for nominations. Please consider service to the CORE community in one of these roles!

I will be moving to Immediate Past President :-)

Best regards

John
